No. R. 6839—*L. R.* (67-05)-3, *dated 6th December* 1905.

It is announced for the information of the public that the name of the "Chavara" village in the Sargur Hobli of the Heggaddevankote Taluk, Mysore District, is changed into "Chamalapura."

No. R. 7131—*Ft.* 58-03-14, *dated 11th December* 1905.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 17 of the Mysore Forest Regulation (XI of 1900) that, from the 1st January 1906, the area, the boundaries of which are set forth in the schedule annexed to this

B

461

notification, shall be deemed to be a "State Forest," subject to the exercise of rights specified at foot thereof :—

SCHEDULE.

District	Taluk, hobli and village	Approximate area	Name of block	Boundaries
Kadur	Yedahalli Sub-Taluk	28·92 sq. miles	Kuskal	*North.*—Starting from the south-west corner of Survey No. 69 of Bale, the line runs north-east along the south side of Survey No. 69 of Bale to its south-east corner, thence the south side of Survey No. 56 of Varkate for a distance of about eighteen chains, turns south-east and runs across Survey No. 51 for a distance of about thirty-five chains, turns north-east and goes for a distance of about six chains through the same number and east across the same number and Survey No. 46 for a distance of about thirty chains, parallel to the edge of cultivation (which begins from the north-west corner of Survey No. 115 of Nelavani and ends at the south-west corner of Survey No. 44) at a uniform width of ten chains to the south-west corner of Survey No. 44, thence the south and east sides of that number to its north-east corner, thence the south side of Survey No. 45 to its south-east corner, then north-east and east along the south sides of Survey Nos. 11, 75 and 103 of Nelavani to the south-east corner of the last number, thence the south side of Survey No. 32 of Honnekodage to its south-east corner, thence north along the east side of the same number to the south-west corner of Survey No. 43 of Salur, thence south-east along the south sides of Survey Nos. 43 and 52 to the south-east corner of the latter number where it joins the left bank of the Bhadra river. *East.*—Thence along the left bank of the Bhadra river to the northernmost corner of Survey No. 50 of Adavalli. *South.*—Thence north-west across Survey No. 225 of the aforesaid village for a distance of about forty chains, to a point about thirty-five chains south from the northernmost corner of that number, thence south-west across Survey No. 204 for a distance of about sixty-eight chains to the northernmost corner of Survey No. 150, thence the north-western side of the same number for a distance of about eighteen chains, to a point about nine chains north-east from the north-east corner of Survey No. 152, thence north-west across Survey No. 156 for a distance of about sixty chains, to a point in the western boundary of the same number about twenty-three chains north-east from the south-west corner of the same number, thence north-east and north-west along the eastern side of Survey No. 191 of Adavalli to its north-east corner, thence north-west and south-west along the north side of the same number to its north-west corner, where it joins the Yedahalli-Balehonnur high road. *West.*—Thence north along the left side of the above road, to the south-west corner of Survey No. 9 of Bale, thence south-east along the south sides of Survey Nos. 9 and 1 to the south-east corner of the latter number, thence north along its east side, to the south-east corner of Survey No. 2, thence east along the south side of Survey No. 10 for a distance of about forty-seven chains, thence north across the same number for a distance of about forty-eight chains to the south-east corner of Survey No. 11, thence the east side of the same number, to its north-east corner, thence north-east across Survey No. 10 for a distance of about twelve chains, to a point in the southern boundary of Survey No 105, about forty-six chains north-west from its south-east corner, thence north-west along the southern side of the same number to its south-west corner, thence north and north-east along the north-western side of that number to the starting point.

REMARKS.

I. The following public rights of way are allowed within the Block, for the use of men, cattle and carts all the year round. Width of the track being twelve feet.

(i) Hebbe-Yedahalli road, 124 chains long ; it enters the forest in the eastern boundary of Survey No. 82 of Sarya, about eight chains north, from the north-east corner of Survey No. 77 and running north across Survey No. 82 for a distance of about fifty chains and north-west across the same number, for a distance of about fifty-two chains and south-west across the same number for a distance of about fifteen chains, and north-west across the same number and Survey No 72 for a distance of about ten chains, quits the forest at a point in the southern boundary of Survey No. 32 of Honnekodage about seven chains west from its south-east corner.

(ii) Kuskal-Alehalli road, 220 chains long ; it enters the forest at the north-west corner of Survey No. 20 of Sarya (Kuskal hamlet) and running westwards across Survey Nos. 56 and 55 of Sarya for a distance of about 107 chains and south-west across Survey No. 20 of Alehalli, for a distance of about 113 chains, joins the cart-track No. I vi *infra*).

(iii) Alehalli-Adavalli road, 104 chains long ; it enters the forest at about the middle point, in the south side of Survey No. 99 of Alehalli and running south across Survey Nos. 105, 104 and 66 of Alehalli and 205 of Adavalli for a distance of about ninety-eight chains and south-west across the last number for a distance of about four chains, quits the forest at a point in the eastern boundary of Survey No. 191 of Adavalli about twelve chains south from its north-east corner.
